RE: Camp Elmore (f/k/a Camp Seminole)

CRAVEN THOMPSON

& ASSOCIATES INC.

Engineers
Planners
Surveyors

Dear Mr. Vander Linde:

Congratulations on completing the construction phase at Camp Elmore! I was impressed by the appearance of the site each time I visited in my role as the District Engineer for the Central Broward Water Control District. Your company followed up on all outstanding items in a timely manner and was very cooperative with our requests.

I was also impressed by the craftsmanship of the various camp elements, especially the facilities near the lake. The Boy Scouts of America and the scouts will most assuredly benefit from the time and attention to detail that the development team put into this project.

Sincerely,
CRAVEN THOMPSON & ASSOCIATES, INC.
