To whom it may concern,

I confirm that Don Vander Linde of D&S Construction Services, INC. was the general contractor for work performed at the Pita Pit location in Launder Hill, FL. this past year.

Their quality of workmanship was of high standards and passed our final inspections.

I would recommend D & S Construction Services to any Pita Pit franchisee willing to hire them to build out their restaurants. I consider them an extension to be a valuable member of the team, who consistently achieved good results and delivers all expectations.

Yours faithfully,

Nelson Costa
Chief Construction Consultant
